The feedback and information provided during consultations has been an invaluable resource in putting together this report. We would like to sincerely thank the following organisations and the individuals representing them for sharing their insights and knowledge throughout the consultation process:

- Australian Sustainable Built Environment Council
- Infrastructure Australia
- Infrastructure NSW
- Infrastructure Sustainability Council of Australia
- Optus
- Planning Institute of Australia
- Queensland Department of Environment and Heritage Protection
- Roads and Maritimes Service NSW
- RMIT University
- TorqAid.
